THE BOMBAY CIVIL SERVICE CLASSIFICATION AND RECRUITMENT RULES

Executive Engineer, Electrical Division and Electrical Inspector, Bombay Province.

104-A. The post shall be filled either by the nomination of a direct recruit or by the promotion of an officer holding a lower post in the Electrical Circle. A direct recurit must not be more than 35 years of age at the date of appointment and must be either a corporate Member of the Institute of Electrical Engineers, England, or a Graduate with electrical engineering subjects of a university mentioned in the schedule appended to rule 104-B. He must satisfy the requirements of rule 4 of the Indian Electricity Rules, 1937 i.e., He must have had at least 5 years' practrical experience in an electrical or mechanical engineering workshop or electrical power station, and, after acquiring such experience, he must have been regularly engaged for a period of at least 5 years in the practice of electrical engineering.

Deputy Engineers.

104-B. The posts shall be filled either by the nomination of direct recruits or by the promotion of Supervisors in the Electrical Circle. A direct recruit must not be more than 32 years of age at the date of appointment. He must be a graduate Member of the Institution of Electrical Engineers, England or a B.E.(Electrical) or a holder of an equivalent degree of a recognised university mentioned in the schedule below, or a diploma holder in the electrical engineering of the college of Engineering, Poona, or of the Victoria Jubilee Technical Institute, Bombay, provided the diploma was obtained prior to 1935. After having obtained the above qualifications, the candidate must have been regularly engaged for 6 years in the practice of electrical engineering out of which at least 2 years ~~in~~ must have been spent in ~~real~~ practical work in an electrical or mechanical workshop or an electrical power station. He must have a fair knowledge of overhead distribution and electrical installation works and also experience in estimating. The Deputy Engineer for lift inspections must have had at least ~~3~~ 2 years experience in the erection and maintenance of electric lifts.

Bombay-Sind Public Service Commission (Functions) (Bombay) Rules 1937

5. When recruitment to any of the services and posts specified in Schedule III is to be made by promotion from a lower service or ~~the~~ post, the commission shall:-
(i) consider the claims of candidates nominated for appointment by the Head of the Department of the Secretariat concerned,
(ii) thereafter advice Government in respect of each candidate nominated whether his qualifications are sufficient and whether his record proves him to have the character and ability requisite for the service to which it is proposed to appoint him, and
(iii) arrange the candidates in order order of preference:
Provided that nothing in clause(iii)shall apply when recruitment to the provincial Police Service is to be made by promotion from the

subordinate ranks of the Police Force.

Electric...
P. W. D. Secretari...
Bombay, 3rd May 1948.

To

The Hon. Minister for the Public Works Deptt.
Bombay.

Sub:- Posts of Executive Engineer, Elec. Br.
and Electric Inspector in the Electrical
circle, P. W. D., Bombay.

Respected Sir,

I beg to place before you the following for your kind and sympathetic consideration.

There are at present two vacancies for the above mentioned posts in the Electrical circle and Govt. is pleased to appoint me to efficate in one of them, as per Govt, notification No.2017/36 III of 30-1-48. Since it has been decided to fill these posts through the medium of Bombay Public Service Commission, applications were invited for the same as per notification No.830 in the issue of Bombay Govt. gazette dated 26-2-48 and in response to this I and other members in the department applied for the posts through the Head of our Department, in the hope that on account of our qualifications and the record of our long and efficient service and experience in the department our claims for promotion to these posts will be favourably considered in accordance with the provision of Rule 104 A of the Bombay Civil Service Classification and Recruitment Rules.

It has however now been learnt with extreme regret and disappointment that in the preliminary interviews granted by the Public Service Commission none of the applicants from the department has been called and it, therefore, appears that our claims to the post have not been considered, presumably because we do not possess any degree of a university but are mere diploma holders, though according to the provision of the above quoted Rule possessing of a degree is essential only in case of a direct recruit. In this connection I desire to make the following submission for your kind consideration:-

After undergoing a training of four years course of studies in the Electrical Technicalogy I obtained the Diploma of L. E. E. from the Victoria Jubilee Technical Institute in the year 1921. Having worked as anassistant operator in the Power House of the Tata Hydro-Electric Power Supply Co. Ltd. for about nine months, I joined the Electrical Department P.W.D. in the year 1922 and have been in continuous service since then. During the period of this long service I have worked in both the ~~B~~ branches of the Department(i.e.Executive and Inspection) and I dare say that the qualifications and experience possessed by me have been considered sufficient by my superiors to hold any post of responsibility and trust in the department, ~~thxxxxx~~ This can be ~~xxxxx~~ verified from the attached copies of testimonials of my previous superior officers under whom I had the honour to work in the department. I may respectfully point out that in 1940 a new department was created for the work of inspecting and licensing of all lifts under the Bombay Lifts Act and Govt. was pleased to appoint me as the Deputy Engineer for the inspection of Lifts on the recommendation of the Public Service Commission, who selected me after publicly advertising the post.

I may also be permitted to draw your particular attention attached to the fact that the qualifications obtained by me in the Electrical Technology was the highest available in the whole of India at the time when I obtained the Diploma i.e. in the ~~xxxxxxx~~ year 1921. This has doubtless been accepted also by government in view of the orders contained in G.L. P.W.D. No.7306/36-E(II) of 28-4-47, according to which such of the subordinates as had obtained this diploma prior to the year 1935 have been brought on par with those who had graduated from a university from ~~xxx~~ and after that year, so that the previous diploma holders are now as good as degree holders and thus fit for promotions to higher posts, if otherwise competent and deserving. In accepting this Govt. gets double advantage, first of placing as its departmental heads qualified and fully experienced officers and secondly of encouraging its qualified subordinates to work with a prize in view thus ensuring efficiency in the administration and harmony

amongst the staff. Such men are sure to maintain proper standard of output and work expected from the department. In fact this is the policy adopted by Govt. and it would be out of place to cite precedents in this regard, but Govt. is doubtless aware that in other departments of Govt. certain number of similar executive posts are reserved for promotions of people who by virtue of their experience gained by them after long years of service in the department have been considered fit to hold such applintment. It may be pointed out that at present there are only two posts of Ex. Engineer in the whole of the Electrical Circle and if these were to be filled with direct recruits, it will result in permanently barring the prospects of several subordinates working in the department, as in the ordinary course there will be no likelihood of any vacancy occuring during the ~~an~~ remaining period of their service in the Department.

Under the above circumstances I fervently appeal and hope that Government will, before making the final appointments, very kindly take all the above into consideration and in view of my long and varied experience in the Department will favourably consider claim ~~for~~ for promotion to the post and give me a chance to prove my ability by applinting me at least on probation for one year in the ~~first~~ first instance. I may assure you that this act of justice will not only remove the cause of heart burning and dissatisfaction already created amongst the staff, but will encourage the subordinates to work more diligently and efficiently and establish harmony which is so very essential for maintaining a high standard of efficiency in the department.

Hoping to be excused for the trouble and thanking you in anticipation

Encl. 2 copies.

I beg to remain,
Respected Sir,
Yours most obedient Servant

H.K.Guard
Officiating Ex. Engineer
Elec.Div.P.W.D. Bombay

Respectfully submitted through:-

Below U.O.N.No.2017/36/28836
dated the 6th June 1948, from Government in the Public Works Department.

No. 1079 of 1948.

Bombay, 9th June 1948.

Returned, with compliments.

2. I have discussed the matter with the H.M., P.W.D., to-day and have explained the position with regard to the Departmental candidates who had applied for the two posts of Executive Engineers, Electrical Division and Electric Inspectors. I have also informed the H.M., P.W.D., that apart from individual considerations, it is distinctly in the interest of Government work to fill the post of Executive Engineer Southern Electrical Division, and Electric Inspector, Poona, by promotion, since the Divisional Office to be opened there is quite new and it will not be possible for me to guide and train an outsider without any knowledge of departmental work from Bombay.

E.P.(I). P. W. D.

Submitted together with S.Nos. 33685 and 35986

2. Please see this Deptt. note Dt. the 31-5-48 at pp. 22-24 of file No. 2017/36/Dpt.IV. The late Dy.Secy. (R.D. D.A.Gadkari) has observed inter alia as under:-

"The P.S.C. and E Rule 104-A lays down in the case of the Ex.Engr., El.Dn. and El. Inspector, Bombay Province that the post shall be filled either by the nomination of a direct recruit or by promotion of an officer holding a lower post in the El.Circle." Earmarking of one out of 2 vacant posts for officers in the El.Circle is thus in keeping with the "Recuitment Rules."

The P.S.C. also suggests that, if weight is to be given for the experience of departmental candidated, it will be appropriate if appointment to the posts of Ex.Engr. in the El.Circle is made by promotion and not by direct ~~an~~ recruitment. The best course to be followed in this case therefore seems to be that one of the two posts of Ex.Engrs. vacant in the El.Circle should be filled in by promotion. This point was also discussed by the El.Engr. with the H.H., P.W.D., vide El.Engr's endt. No. 1079, dt. the 9-6-48. The El.Engr. states that it is definitely in the interest of Govt. work to fill in the Ex.Engr's. post by promotion as it will be not be possible for him to guide and train an outsider without any knowledge of departmental work.

3. It is for orders whether one of the two posts of Ex.Engrs. in the El.Circle may be filled in by promotion from departmental candidates. On receipt of

orders.....

orders selection of an of ~~ice~~ officers recommended
by the P.S.C. will be considered

4. Please see H.P's minute at p. 107 of file No.2017/36-pt.IV. The El.Engr. to Govt. will be asked hereafter to report on the work of Mr. Guard who is at present offg. as an Ex.Engr.

Id/- L.P.H.
20-7-48

GGG
20-9-48

It seems the best course under the circumstances consideration will be to fill one post of E.E. by promotion and ohter by a direct recruit. The El.Engr. on P 15 has said that it would be in the interest of work to fill in the post of the E.E. S.E.Dn. and El.Inspector Poona by promotion and has given reasons.

Id/-
22/7

I still feel that one post should be filled from the candidates selected by the P.S.C. and the other may be left to be filled in by promotion. In this connection the Chairman of the Public Service Commission has written to the Chief Secretary why departmental candidate were not called for an interview. That letter may be perused (page 229 of file No. 2017/36) PCL The El.Engr. could certainly keep the new man allotted to his office for a few days and give him the necessary training in departmental procedure.

E.E.(I). P. W. D.

Submitted with ref. to the H.E., P.W.D.'s order within.

2. The question of selection of a candidate by direct recruitment has been dealt with in file No. 2017/36-IV, 34162 submitted herewith as a linked case.

3. The following are permanent Dy. Engrs. in the Electrical Circle:-

1. Mr. H.K.Guard, L.E.E.
2. Mr. R.H.McDermott, L.E.E.
3. Mr. R.Shripad Rao, L.E.E.

Particulars re: them are given below.

Mr.Guard. He joined as Electrical Supervisor on the 14-8-1922. Circle on the 17-7-1940 and Confirmed as Dy. Engr. on the 1-4-1942. He was appointed to officiate as Ex. Engr. vide G.L. No. 2017/36-III-E(I), dated the 8-1-48 and the notes underlying it, and G.L. No. 387/36-IIE(I), dated 19-3-48. He has been officiating as Ex. Engr. since the 1-4-48. Please see the latest confdl. report on Mr. Guard received from the El. Engr. to Govt. and the Secretaries' remarks thereon, put up below. It will be seen therefrom that his work as Ex. Engr. is quite satisfactory. It does not therefore seem necy. to call for another report on his work as proposed in para. 4 of the Office Note dated the 23-7-48. In this con. it may be mentioned that as early as 12-8-40 Mr. Guard was appointed to assit the El. Inspector. Bombay Proviso, for the purpose of Rule 5(1) of the I.E. Rules, 1937, vide G.N. P.W.D., No. 4714/36, dated the 12-8-40. Mr. Guard was also appointed as

Inspector.....

Inspector of Lifts, in which capacity he has gained the required experience to qualify him for the inspectorion work.

Mr. McDermott. He joined as El. Eng Supervisor on the 1-12-1920. He was appointed as permanent Dy. Engr. in the El. Circle on the 1-8-42. It is understand that he has applied for 8 months' leave preparatory to retirement from 20-11-48.

Mr. Shripad Rao. He joined as El. Supervisor on the 16-11-1920. He was appointed as Dy. Engr. in the El. Circle on the 1-8-1942 and confirmed as such on the same date.

It will be seen from the above that Mr. Guard, who is already officiating as Ex. Engr., El. Dn., is the seniormost pt. Dy. Engr. in the El. Circle. It is for consideration whether xhx he may be selected for the post of the Ex. Engr., El. Dn. and El. Inspector, Bombay, to be filled in by promotion. If so, the P.S.C. will be addressed in the matter, after u.o. consultation with the P.&S.D.

Confidential.
No. 2017/36-III-E(I). P. W. D.
B.O., 23th September 1948.

To

The Secretary,
Bombay P.S.C.

Subj:- Appointment of an officer by promotion for the post of Ex. Engr. and El. Inspector, Bombay, in the Electrical Circle.

I am directed to refer to this Deptt. letter No. 2017/36-III-E(I), dated the 29-2-48, and your reply thereto No. 830 dated the 29-4-48, and state that Govt. considers that it is definitely in the interest of work to fill in at least one of the two posts of Ex. Engr, El. Dn. and El. Inspector, in the Electrical Circle by promotion of officers already serving in the Deptt. Govt. has accordingly decided that out of the two posts, one should be filled in by promotion from amongst persons already serving in the Electrical Circle and possessing the necessary experience in the matter. The other post is being offered to one of the candidates recommended by the P.S.C. in your letter referred to above and orders in this connection will issue shortly.

2. The following are the permanent Dy. Engrs. in the Electrical Circle in order of seniority:-

(1) Mr. H.E. Guard, L.E.E.

(2) Mr. R.H. McDermott, L.E.E.

(3) Mr. B. Shripad Rao, L.E.E.

This Deptt. considers Mr. Guard to possess the requisite qualifications and experience and accordingly recommends him for the post of Ex. Engr., El. Dn. and Electrical Inspector., Bombay.

Mr. Guard joined as an Electrical

Supervisor.....

Supervisor on the 14-8-1922 and was appointed as Dy. Engr. in the Electrical Circle with the acquiescence of the Bombay - Sind P.S.C. (vide the Commission's letter No. 368, dated the 3-6-1940) on the 17-7-1940 and was subsequently confirmed as Dy. Engr. on the 1-4-1942. Besides, as early as 12-8-1940 Mr. Guard was appointed to assist the Electrical Inspector, Bombay Province, for the purpose of Rule 5 (1) of the I.E. Rules, 1937, vide G.I., P.W.D. No. 4714/36, dated 12-8-1940, (copy enclosed). In his capacity as Inspector of Lifts, Mr. Guard has gained the required experience to to qualify him for the inspection work.

3. On the retirement of Mr. S.T.Thelman late Ex. Engr. El. Dn. Electrical Inspector, Bombay Province, Mr. Guard was appointed to officiate as Ex. Engr. in the Electrical Circle purely as a temporary measure with effect from the 1-4-1948. Mr. Guard is tactful and trustworthy and his relations with the Public and the contractors with whom he has to deal, are cordial. Moreover, by his hard work Mr. Guard has satisfied Govt. in carrying out the duties entrusted to him in his present post.

The personal file of Mr. Guard is enclosed for perusal and return.

4. I am to request that this letter may, please, be placed before the Commission for their acquiescence in the proposed appointment of Mr. Guard as permanent Ex. Engr. El. Dn. and El. Inspector, Bombay, and that the same may be communicated to Govt. at an early date.

No.830(1)
Bombay Public Service Commission,
P. W. D. Secretariat,
Bombay, 16th November 1948.

From

The Secretary,
Bombay Public Service Commission.

To

The Secretary to the Government of Bombay,
Public Works Department.

Sir,

I am directed to refer to Government letter No. 2017/36-V-E(1), dated the 28th September 1948 and to state that the Commission acquiesce in the proposal of Government to appoint Mr. H.K.Guard, Deputy Engineer in the Electrical Circle to the post of Executive Engineer, Electrical Division and Electric Inspector, Bombay. The Commission are, however, of the opinion that it would have been more appropriate if the decision to fill any of the vacancies by promotion was reached first and communicated to the Commission before the vacancies had been advertised.

2. The personal file of Mr. Guard is returned herewith.

Yours faithfully,

Sd/-

Secretary.

Resolution No.387/36.
Bombay Castle, 17th October 1946.

Read Government Letter No.387/36-E(I), dated the 31st January 1946 and 6th February 1946 to the Secretary, Bombay-Sind Public Service Commission.

Read letter No. 936, dated 10th May 1946 from the Secy. B.S.P.S. commission

RESOLUTION:- The Governor of Bombay is pleased to recruit Mr. D.N.Halbe, B.E.(Mechl. and Elcl.),B.Sc.(Engrg.),A.M.I.E.E., for appointment as Executive Engineer, Electrical Division and Electric Inspector, Bombay Province, on a starting pay of Rs.600/- per mensem in the scale of Rs.510-30-660-E.B.-40-1020, subject to the production of a medical certificate of fitness in the form prescribed in rule 11 of the Bombay Civil Services Rules.

2. Mr. Halbe will be on probation for one year with effect from the date he reports himself for duty to the Electrical Engineer to Government. The date when Mr.Halbe joins duty under the Electrical Engineer to Government should be reported to Government. Mr.Halbe should work directly under the Electrical Engineer to Government till the latter considers him fit to hold charge of the post of the Executive Engineer, Electrical Division and Electric Inspector, Bombay Province.

3. The Electrical Engineer should submit a report to Government on Mr.Halbe's work and suitability for confirmation in the appointment of at least one month before the expiry of the probationary period of one year. The necessary orders regarding Mr. Halbe's confirmation as Executive Engineer, Electrical Division and Electric Inspect. Bombay Province will then be issued if he is found fit and suitable.

4. During the probationary period of one year, Mr. Halbe's pay should be Rs.600/- per mensem in the said scale of Rs.510-30-660-E.B.-40-1020 plus compensatory local allowance as admissible under the rules. He should draw conveyance allowance of Rs. 150/- per mensem plus 20 per cent temporary increase provided he maintains a motor car for the performance of his duties.
